April 22, 2021

RESUMPTION OF CONSTRUCTION

Dear Residents,

The Department of Public Works and Highways has issued Department Order 33 Series of 2021 allowing the resumption of small-scale construction projects including housing and residential construction.

We are now allowing a limited number of personnel to enter Dasmariñas Village to prepare work sites for the resumption of construction work on Monday, April 26, 2021.

All construction sites will have to adhere to all previously established protocols including strict compliance to last year's Department Order 30 which listed requirements for each construction site. This includes a valid negative Covid 19 (Antigen or RT PCR) test result for all construction workers.

Please be guided accordingly.
