**D.V.A. CIRCULAR NO. 2021 – 32**

**August 6, 2021**

**FIBER OPTICS PROJECT**

**Dear Residents,**

As per Department of Public Work & Highways Department Order No. 30 Series of 2021, construction involving housing, communication, water utilities, manufacturing, and BPO's are allowed to work during ECQ.

In this regard, please be advised that contractors of FiberHome, PLDT, Globe, and SkyCable will continue to work during ECQ to do the finishing touches to our Fiber Optic Project.

We have deployed ten (10) security guards to oversee these workers and ensure that all COVID-19 safety protocols are being followed.

Should you have any question, please call DVA office at 8 8432262.

Thank you and we hope for your continued cooperation.

A handwritten signature in black ink, appearing to read 'Rosalina M. Halili'.
