MESSAGE FROM THE

OFFICE OF SENATE PRESIDENT FRANCIS 'CHIZ' G. ESCUDERO

I extend my warmest congratulations to the Dasmariñas Village Association (DVA) on its Diamond Jubilee celebration.

Commemorating 60 years of unity, progress, and community spirit is truly a momentous occasion. I am one with the residents of Dasmariñas Village in celebrating this milestone.

Your unwavering dedication to fostering a safe, vibrant, and harmonious community has made Dasmariñas Village a model for others to follow. Certainly, the commitment and hard work of the DVA and the residents have created a legacy of which we can all be proud.

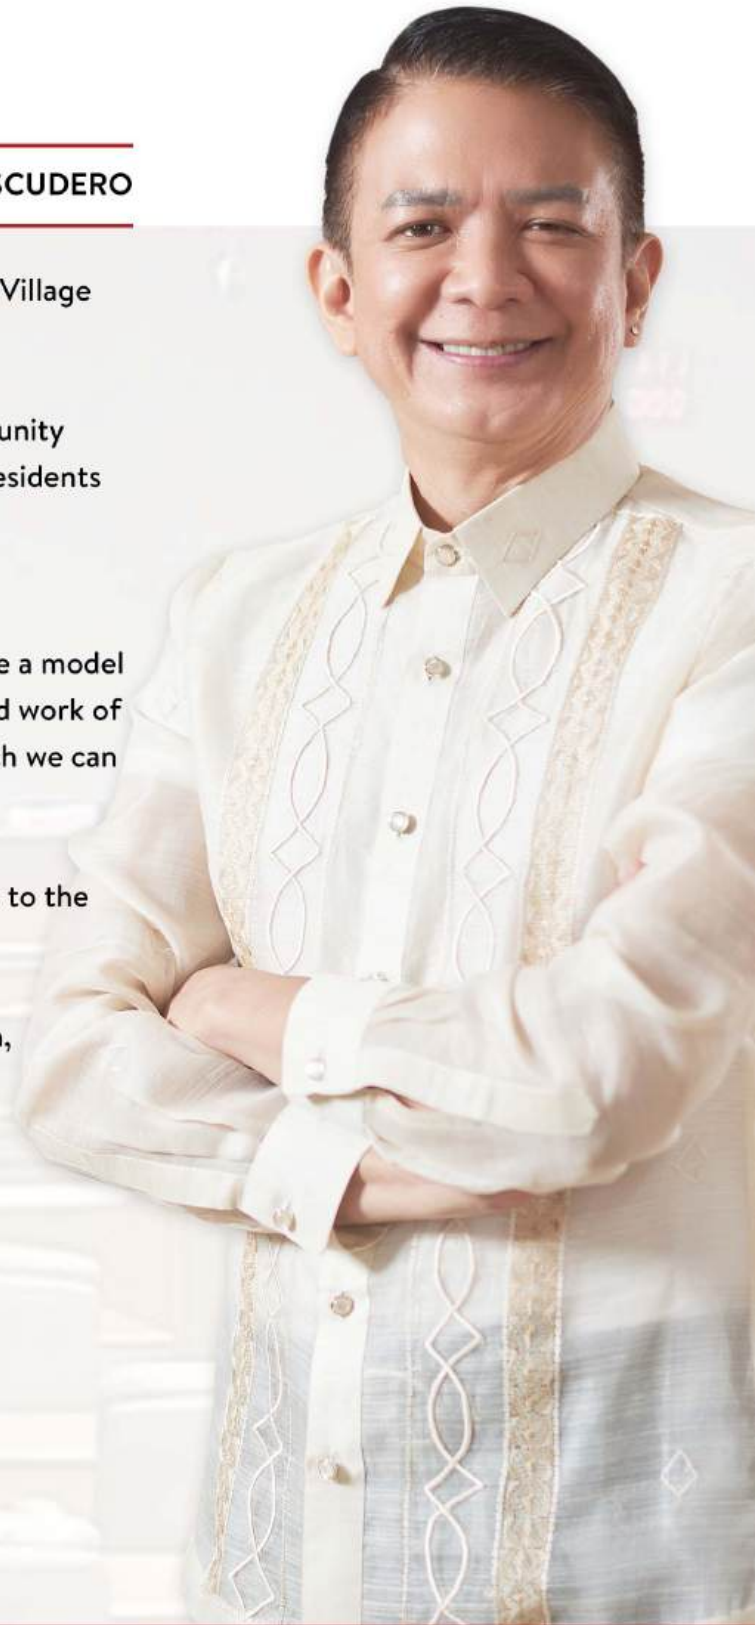

As you mark this Diamond Jubilee, I send my best wishes to the entire Dasmariñas Village community.

Here's to many more years of continued success, growth, and prosperity for the village and its residents.

Happy 60th Anniversary, DVA. Mabuhay!

## MESSAGE

My warmest greetings to the Dasmariñas Village Association (DVA) as you celebrate your Diamond Jubilee.

In the enduring mission to build our nation, we count on the support of every Filipino and work towards ensuring that our collective efforts lead us to a progressive and prosperous Bagong Pilipinas. It is in this spirit that the Department joins the members of the Dasmariñas Village community on this auspicious occasion. We recognize your contributions to society and hope that you will not tire of expressing your love of country through the work you do.

As we honor 60 years of the DVA, may you draw inspiration from all the great stories born in your community. Let this legacy serve as a reminder of the privilege you are gifted with and the responsibility that it naturally entails. May this milestone be an opportunity to reflect on the many ways you have shaped your community and on the possibilities that still lie ahead as you all move forward.

On behalf of the Department, I wish the DVA continued success. May you have a happy and meaningful celebration.

*Mabuhay!*

### MESSAGE

I would like to extend my warmest greetings to the Dasmariñas Village Association (DVA) as you hold your Diamond Jubilee celebration.

For six decades, the DVA has been excellently managing Dasmariñas Village, which is home to many prominent and respected citizens of the country.

I commend the former and current officers of the DVA and the village residents whose dedication, concerted efforts, and strict adherence to the village's mission, vision, and core values, have made Dasmariñas Village one of the best-run subdivisions in Metro Manila.

My best wishes for the continued growth and success of your association and of Dasmariñas Village as well. May this event inspire you all the more to maintain efficient management of the village, and ensure that residents enjoy better services and quality of life in the coming years.

Again, congratulations! Mabuhay kayo!

# BARANGAY DASMARIÑAS

CITY OF MAKATI  
REPUBLIC OF THE PHILIPPINES

A peaceful oasis in the heart of a bustling city.

That is Dasmariñas Village.

For the past 60 years, our village has been home to captains of industry, trail-blazing professionals, and dedicated public servants. For those same 60 years, the village has provided a safe and peaceful place for its residents to lay their heads and rest.

Despite the ever-changing ecosystem of our country and the fast-paced evolution of the world, Dasmariñas Village, at its core, remains the same - it is still that peaceful oasis.

It is not an easy and simple job to preserve the serenity of our village. We have unsung heroes whose hard work and dedication are often times overlooked and underappreciated. Our DVA Governors who, throughout the years, serve without compensation and in many times under great scrutiny, our DVA security team who ensure our 24/7 security, our DVA maintenance team who work tirelessly, even in the midst of typhoons, to keep our village clean, and the rest of the DVA team.

It is because of all of them that we, the residents, get to continue to live in our peaceful little oasis.

To the DVA, you have mine and Barangay Dasmariñas' thanks and everlasting support.

To our dear neighbors, let us always remember the privilege we have to be living in Dasmariñas, and let us always work to promote and preserve our wonderful home.

  
**Atty. Dino Imperial**

Greetings of peace and goodness!

I am pleased to convey my warmest greetings and felicitations to the officials and residents of Dasmariñas Village Association on the occasion of your Diamond Jubilee. Marking sixty years as a strong and caring community is truly a remarkable achievement worthy of celebration. This significant milestone aligns beautifully with the Golden Jubilee of Santuario de San Antonio Parish and the Jubilee Year of Hope declared by Pope Francis for 2025. These jubilees collectively offer us an opportune moment for a sincere thanksgiving to God and a renewed commitment to our vision-mission as we heed God's call to conversion, restoration, and justice.

In His inaugural sermon, Jesus proclaimed His sacred mission: to proclaim the Good News, uplift the downtrodden, free the captives, restore sight to the blind, and declare the Lord's favor (cf. *Luke 4:18-19*). These timeless imperatives continue to resonate powerfully today, challenging each of us to embody Christ's mission through our words and actions. Dasmariñas Village — a community blessed with abundant talents, resources, influence, and productive contributing members of our society — bears a significant responsibility to serve others, bringing hope to those in need and fostering joy within the community and beyond its borders. Inspired by St. Anthony of Padua, often portrayed holding the Child Jesus, we are called to carry Christ in our hearts and reflect His light and blessing to the world. This sacred privilege demands that we extend Christ's love and compassion to the economically disadvantaged and to all who yearn for His transformative presence in their lives.

As you commemorate this milestone, may you continue to be faithful stewards of the blessings God has entrusted you with, constantly being active contributors to the betterment of society and devoted members of the Church. Together, let us strive to create a community where love, justice, and compassion thrive and leave a lasting legacy for generations to come.

I entrust each of you to the prayers and intercession of St. Anthony of Padua, asking for his steadfast guidance as you work to uphold human dignity and advance God's Kingdom on earth.

May the Lord bless you always!

In humble service,

**FR. MARK ADAME G. BAKARI, OFM**

03 January 2025

On behalf of Colegio San Agustin Makati, I extend my heartfelt congratulations to the Dasmariñas Village Association (DVA) on reaching this remarkable milestone - 60 years of unity, progress, and shared history! From its early beginnings in the early 1960s and its incorporation in 1965 to becoming one of the most prominent villages in Metro Manila and home to women and men of excellence and character, the DVA's dedication, strength, and collective spirit have created a legacy that is truly worth celebrating.

As we reflect on the journey that has brought DVA here, we are inspired by the enduring connections we have built over the decades. From the small beginnings to the thriving community that we are today, every step has contributed to shaping the bright future ahead. Moving forward, let us continue to grow through the gift of God's grace, with Christ as our constant companion, as well as our way and our goal.

May DVA's Diamond Jubilee be a reminder of the power of community, the value of collaboration and togetherness, and the spirit of being of one mind and one heart, along with the possibilities that await in the years to come. Cheers to the past, present, and future of this vibrant community - a beacon of strength, resilience, and harmony!

## M E S S A G E

I am so delighted to be part of this momentous occasion in celebrating the sixty remarkable years of unity, resilience, and shared achievements within our cherished Dasmariñas Village.

For six decades, the Association, in collaboration with the City Police Force has proven that the commission of crime can be reduced through constant coordination and cooperation. Indeed, we have hurdled all the challenges and succeeded in our crime prevention efforts. We remained steadfast in ensuring that our constituents are safe especially during the wee hours of the night through the unwavering presence of police personnel patrolling the alleys and streets of the village.

As the Officer-in-Charge of the Makati City Police Station, we are forever grateful for the enduring bonds that have made this community a beacon of harmony and progress. Let me also express my profound gratitude to the residents, members, and friends of the Dasmariñas Village Association, thank you for your invaluable contributions.

May this occasion inspire all of us to dream bigger, strive harder, and work together for a more peaceful community.

Happy 60th anniversary!

### MESSAGE

It is an honor to be part of an important milestone in our community's short history. I started my term in 2023 with no expectation of reaching this far after disruptions happened at the start of the year in choosing new volunteers to steer our association into the future.

But the Governors who assisted me, even those who needed to move on to do other work, had been anything but complacent. They toiled, strove hard, and worked ceaselessly to bring DVA to where it currently stands – vibrant, and in the threshold of certification for international management quality standards.

Sustainability is what will carry DVA to the next 60 years and further. Hence, our common vision in the Board is to put in place structures that will ensure our Association will function seamlessly and effectively regardless of changes in its environment. DVA should be unshakeable and tamper-proof. It can stand on its own to give only the best service to our neighbors while being resilient in the face of local and global challenges.

In moving to the future, I am confident DVA will carry on with what its pioneer leaders had conceived, and that which the current crop of Governors had started.

Mabuhay, DVA!

  
PHILIP SIGFRIDO A. FORTUN  
President

### DVA DIAMOND JUBILEE COMMITTEE

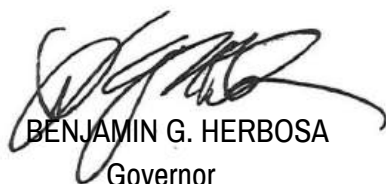

We take pride and honor in spearheading the 60th Anniversary celebration of DVA's birth.

As we look back at how the administration and operation of our Village's basic services, started, we cannot but be inspired by the pioneering spirit of Messrs. Jaime Velasquez, Salvador Lorayes, Miguel Ortigas, Antonio Henson, and Ramon Garcia, who saw to ensuring that the village was run well for its residents. Mr. Velasquez also was DVA's first President and made sure its designated manager, seconded from Ayala Corporation, will take charge of welcoming new residents and attending to their myriad needs.

The place we call home would not have been as efficiently run, its infrastructure properly maintained, common areas spic-and-span, and its employees and contractual personnel dutifully doing their job, where it not for the able leadership of current Village Manager, Antonio Luna Ocampo, and team leaders under his supervision, namely, Eusebio Estrella (Maintenance), Orlando Bueno (Security), Rochelle Abanilla (Construction), Romeo Sapiandante (Finance), and Greg Burro (IT), and their respective staff.

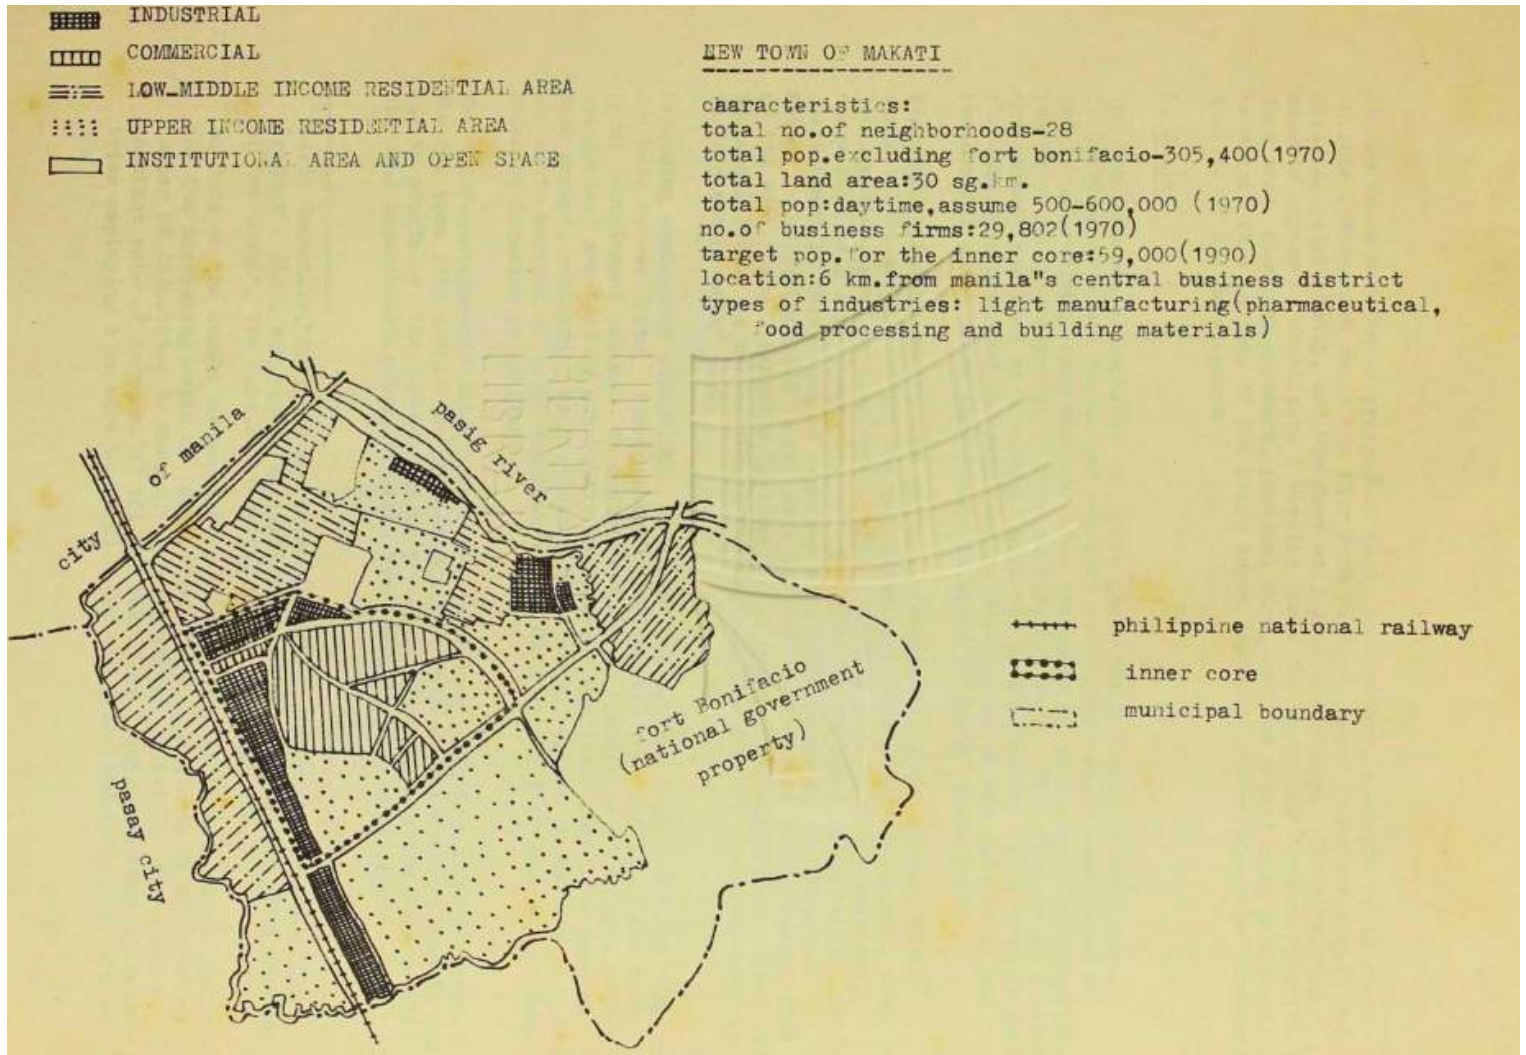

We acknowledge the assistance readily given by the current DVA staff in making this momentous event in the life of DVA well worth celebrating, and their continued support of its Quality Policy and purpose to make our Village the premier subdivision in the country.

Congratulations, DVA!

# Dasma in retrospect...

Dasmariñas Village, a 187-hectare property in the heart of Makati, was conceived by developer Makati Development Corporation (MDC), the precursor of Ayala Land, Inc., in 1964. It was envisioned to be an upscale community designed to entice upscale professionals, i.e., lawyers, doctors, engineers, bankers, and entrepreneurs, with young families as its residents.

To attract the select clientele, MDC invited friars of the Order of St. Augustine in 1967 to set up an 80,000 square meter basic education school within the sprawling confines of the village as the academic cornerstone for residents' children. By November 1976, Ayala Corporation donated 2 more hectares of adjoining land, creating a 10-hectare educational complex in the heart of the Village.

# Colegio San Agustin inaugurated today

## FM, Cardinal Santos.

I am pleased to extend warmest congratulations to the officials, faculty and student body of the new Colegio San Agustin, which is a proud and promising addition to the nation's educational institutions.

The blessing of the college today, I hope, will mark the beginning of a fruitful history of growth and service to our youth. A confirmed believer in education as the key to total self-realization, I can therefore pledge with a whole heart every support to the Colegio San Agustin in its effort to contribute to the full flowering of our youth.

My best wishes for the college's success and for great achievements.

F. E. MARCOS  
President of the Philippines

Just a few days after his Election and Solemn Coronation as Supreme Pontiff of the Universal Church in 1963, our most Holy Father, Pope Paul VI, gave a discourse on the Education of Youth that subsequently served as guidelines for the Fathers of Vatican II in their study and preparation of "Gravissimum Educationis."

His Holiness stated: "The education of youth appears to us as the fundamental problem of the pastoral ministry and of modern social work. We would wish to see a large numerical development in the institutions which are entrusted with the mission of preparing healthy, strong, convinced and Christian young people for society and for the Church especially do We desire to see them acquire an educational efficiency equal if possible to the enormous need, worthy, at least, of the traditions of our great youth associations, and likewise worthy of the magnificent resources which We know exist in the hearts of our very dear country people."

Vatican II declared: "This sacred Synod, while professing its gratitude to priests, Religious men and women, and the laity who by their evangelical self-dedication are devoted to the noble work of education and of schools of every type and level, exhorts them to persevere generously in the work they have undertaken and, imitating their students with the spirit of Christ, to strive to excel in pedagogy and the pursuit of knowledge in such a way that they not merely advance the Church but preserve and enhance its beneficent influence upon today's world, especially the intellectual world."

On the occasion of the inauguration of the COLEGIO SAN AGUSTIN (Makati, Rizal), We take great pleasure in greeting the Venerable Order of St. Augustine, the Alumni of all the Augustinian Schools in the Philippines,

but particularly the Very Reverend Father Rector and his Conferes, the lay faculty-members and the entire student-body of this new educational institution.

May these words of zeal and wisdom quoted from His Holiness and from Vatican II lead all those involved in the educational work of the Colegio San Agustin to success and We hereby gladly impart to all Our paternal blessing.

Manila, August 22, 1969  
RUFINO J.  
CARDINAL SANTOS

I am happy to greet the Colegio San Agustin, Makati, on its inauguration.

The zeal and dedication of its founders in the education of the youth of the land is legend and I am confident that this new school will be serving creditably the educational needs of the children in this fast growing community.

The village is bounded on:

- the west by the main highway artery, Epifanio de los Santos Avenue, or EDSA;
- the east by Fort Bonifacio and the Maricaban Creek;
- the south by the Kayamanan C area of Chino Roces Avenue; and
- the north by McKinley Road and Forbes Park.

The village derives its name from Gomez Pérez Dasmariñas (below left), the 7th Governor General of Spain in the Philippines. After his death, his son Luis Pérez Dasmariñas (below right) became Governor General from 1593 to 1596.

The first officials of the subdivision were employees of Ayala Corporation who served from its inception in 1965 to the late '80s. Its barangay was organized in 1971 and made a separate enclave independent of Forbes Park and nearby Magallanes Village. It is the only subdivision in Metro Manila where the barangay is located exactly within the perimeter walls of its gated area.

Banda Malabon Cuatro is a pride of Malabon City that gained widespread recognition after being crowned the grand winner of the “Banda Rito, Banda Roon” segment on the popular noontime show Eat Bulaga!

The group is known for its unique blend of musical influences, incorporating a mix of genres that resonate with audiences. The band has been an integral part of the local community's celebrations, providing vibrant and lively musical accompaniment to various Filipino festivals, parades, and special events. Their win in the “Banda Rito, Banda Roon” competition also serves as a testament to the vibrant and diverse music scene in the Philippines, as well as the talent and creativity of local musicians.

## CAVITE CAVALIERS DRUM AND BUGLE CORPS

The Cavite Cavaliers Drum and Bugle Corps was founded in September 2018 and inaugurated on December 16, 2018. Most of the members came from the “VSPV 29th Regiment” who established their own group. By the end of 2018, the Cavite Cavaliers was ready to field a full drum corps.

It was headed by their founder Mr. Nyll Francisco, bandmaster Jeffrey Distura, and drum arranger Mark Anthony Lopez. Their motto “Unity in Diversity” indicates the well-matched cooperation between the members living in a single society whose purpose is to provide good music for the people of Cavite City and other parts of the country. Recently, the Cavite Cavaliers was included and recognized as one of the top Drum and Bugle Corps in the Philippines.

# Testimonials from residents

"Dasma. A small community of people not afraid to roll up its sleeves to help where help is sought. How amazing is that! A place to belong."

– *Sonia Fowler, Sagu resident for 56 years*

"I am enamored and comforted with residing in Dasmariñas Village for the past 5 decades due to its tranquil surroundings and its convenient proximity to the bustling Makati Central Business District. It is my home."

– *Carlos A. Galicia, Amorsolo resident for 56 years*

"Dasmariñas has a very peaceful environment. It is my home."

– *Josefina Virata Sevilla, Amorsolo resident for 45 years*

"Dasmariñas provides good service and protection, a very peaceful community with maintained facilities like roads. In short, the best village"

– *John Francis Carcovich, Calumpang resident for 47 years*

"Dasmariñas has a very nice environment, especially for children who are growing up. Security is very strict but sometimes rude. They need to be more customer service-oriented but I'm happy with their service. My favorite is the bright streets of the village that my brother-in-law, Ed Reyes, focuses on."

Of Marshmallows and Chocolate

The Dasmariñas Village of my youth... and beyond...

Dear DVA Members and Staff,

On a joyful note, I embark on this sweet project which I was requested to do - of writing some of my impressions on living in Dasmariñas Village... and more...

We moved to Dasmariñas Village in February 1972. I was a teenager. We were so excited to move into this, at that time, nice big house. We kids were biking every day of summer vacation... there was much open space... vacant lots. The sun didn't seem so hot then. My late brother told me about a garage in a home on a street close by, that had a "mini-store" in a small room, that sold chocolates and cookies from the PX stores in Clark Air Base. We did not have much chocolates in our groceries at that time. That little store was a child's (and teenager's) delight 😊 ... I would get my chocolate-covered marshmallow cookies....

Our family's gates and doors were open 24/7 in those early years... friends would just pop in.

We lived near the Calumpang Park, and that was lovely. We would go to the swings and swing and swing to our delight... and just play... and eagerly join the clubhouse activities.

We grew up and became adults, becoming aware of a bigger community - that cozy community in our area with the maintenance, security, admin and Barangay offices just near us - it's like family. The DVA and Barangay Staff have been very helpful and eager to help... through the decades....

Living near the park, and close to the maintenance, security, admin, and Barangay offices - made them like part of a bigger family structure. Heartwarming.

And my community of neighbors, especially those who have been around just about as long as me, who grew up with me simultaneously... a sweet bond...

Walking along the streets leisurely on Sundays, I sometimes meet foreigners who are relatively new residents in Dasmariñas Village. They tell me how happy they are to live in our community. I can see joy in their faces when they tell me that.

It really is that - a gracious and unpretentious community.

I have not always lived in Dasmariñas Village within the past 52 years, as I lived in various other countries from time to time. But upon returning home each time, already when the car enters the Amorsolo Gate coming from NAIA - I would feel so happy and at home.

Going through life... school, socials, jobs... marriage... divorce... and now a Senior Citizen - our Dasma home was always there, a stable homestead....

Later... my dad passed.. then mom... and all my siblings living abroad, I found myself alone in a huge old property during the pandemic...

And yet, I did not feel alone, especially during the pandemic. While keeping respect of spaces and boundaries, our area had a 'Bayanihan feel'. And if I reflect on the pandemic - I am always so very thankful I was in Dasmariñas Village during the pandemic and quarantine. Dasmariñas Village made the pandemic and quarantine a very special and poignant time. The spirit of community and helping each other.... Something happened that one cannot manufacture artificially... that one cannot force...

...Then it was time to let our Dasma home go....

Which we did, a few months ago....

And where I am currently, now in this condo - from my window I see Dasmariñas Village (and more).... and that brings joy....warms my heart.

It is with deep thanks, and deep joy... and affection, that I think of you, and greet you, dear DVA members and staff, a Happy 60th Anniversary (wow 🥳), and, a Happy, Healthy, Prosperous and Harmonious New Year! 😊

Warmly,

Cynthia Tomacruz

## Outpouring of sharing and caring for DVA charities

From what started as a simple feeding program for homeless children through one of DVA's chosen charities, the Daughters of St. Anne (DSA), has now burgeoned into a more extensive endeavor to share our blessings with these children.

Since we began the feeding program in August this year, DVA, through generous donations from residents and friends, was able to complete the construction of the Mentor House, a temporary shelter for homeless families.

In addition to our DSA charity work, we continue to request donations to provide individual care packs for soldiers stationed in Ayungin Shoal and BRP "Sierra Madre" in the West Philippine Sea.

To further support these two worthwhile causes, DVA will host the "Golf For A Cause" golf tournament at the Tagaytay Midlands Golf Club on January 17, 2024.

Residents are invited to join this event not only to support DVA's charities, but also to strengthen relationships with fellow residents and get a chance to win exciting prizes!

For those interested in joining the tournament, please register by scanning the QR code on the announcement on the right side of this page.

## New Residents' Lounge

Soon, residents will have a new venue for small meetings and where they can relax while transacting at the DVA office.

What used to be the office manager's room will be upgraded to a residents' lounge. The lounge will be furnished with a small conference table, chairs and a set of couches. Warm-colored downlights and cove lights provide a relaxing atmosphere while visitors enjoy a cup of coffee and snacks.

Free WiFi will also be available to residents while spending time in the Residents' Lounge.

## DVA Blood Drive generates 172 blood bags

With the rise in leptospirosis and dengue cases due to the current typhoon and southwest monsoon (Habagat) season, the urgent need for blood is critical for families affected by these deadly illnesses.

DVA has thus partnered with the Philippine Red Cross (PRC) to conduct a village-wide blood drive to provide DVA community members easier access to blood requirements for their families.

On August 25, 2024, 85 donors comprising residents, kasambahays, volunteer firefighters, DVA employees and contractual staff, security personnel, and other guests generated 53 blood bags, which the PRC blood services unit will process into 4 components – packed red blood cells for anemia, platelet concentrate for cancer and dengue, fresh frozen plasma for infections and leptospirosis, and cryoprecipitate for hemophilia and bleeding disorders.

In a letter to residents, DVA president Atty. Philip Sigfrid Fortun said, "DVA's participation in the PRC's blood program has extended DVA's social responsibility activity to nationwide coverage, it allows us future collaboration with PRC's varied life-saving programs, and supports blood needs of DVA members."

DVA's Health and Wellness Committee chairpersons Dr. Rouel Azores and Dr. Benny Herbosa plan to conduct another blood drive in December 2024, and they hope to generate more blood donations to help more citizens in need of this life-bearing substance!

Update as of January 2025: the recent January 04, 2025 blood drive generated 119 blood bags, bringing the total blood bags generated to 172!

## Remembering pioneer village leaders

As a way to honor the village's first leaders, the DVA Board of Governors installed commemorative markers in the different rooms of the DVA Town Hall.

The Pavilion was named after Bernardo Lichaytoo, DVA president from 1993–1995, who began and completed the construction of the DVA Town Hall that currently houses the DVA and Barangay offices and the Security headquarters. The new Residents' Lounge was named after the first DVA lady president Lourdes F. Mabanta, while the Board room was named after the first DVA president Jaime C. Velasquez. The Village Manager's office was named after Mr. Emiliano Andres, DVA's first village manager who worked for 36 years. Finally, the Barangay office was named after Cesar J. Bautista, the first Barangay Captain of Barangay Dasmariñas.

On September 25, 2024, the families of the honorees were invited to unveil the commemorative markers and have the facilities blessed.

DVA president Philip Sigfrid A. Fortun noted that the naming of the rooms will serve as a reminder for future village leaders to remember the contributions of those who made Dasmariñas Village the premier village that it continually strives to be and serve to guide them in sustaining what had been done before.

## Charity organization gives certificate of appreciation to DVA

Coinciding with the blessing of the DVA Town Hall room markers last September 25, 2024, the management of Daughters of St. Anne (DSA), led by its Provincial Superior, Sr. Mary Grace Iglupas, conferred upon DVA a certificate of appreciation for DVA's contributions for the completion and furnishing of DSA's Mentor House, a half-way house for displaced single mothers and kids.

On the same occasion, DVA awarded the proceeds from the Bingo Bonanza Extravaganza event held at DVA Pavilion last September 21, 2024, amounting to ₱34,400.00 as monetary aid to their cause.

## Commemorative markers installed at DVA Town Hall rooms

### BOARD ROOM

**JAIME C. VELASQUEZ**  
First DVA President  
(1965-1966)

Worked tirelessly for the improvement of common facilities of the Village, its parks, playgrounds, and water system. First director and of the newly incorporated DVA that was to manage the affairs and operation of the Village. He brought together new families who moved into the Village to help each other and work together in building a peaceful and harmonious community.

### PAVILION

**BERNARDO LICHAYTOO**  
President of DVA  
(1993-1995)

He saw the need to improve the community as the neighborhood progressed through structural expansion. He began and completed the construction of the DVA Town Hall to house the DVA and Barangay offices, a modern Pavilion, and sleeping quarters for security personnel. Later, he added the construction of a two-storey structure for a fitness gym, purchased a fire truck for emergencies, asphalted major roads, implemented strict gate-sticker policies, and improved the financial condition of DVA to pursue major projects.

### RESIDENTS' LOUNGE

**LOURDES F. MABANTA**  
First Lady President of DVA  
(1970-1971)

A physician by profession. She initiated the improvement of the guardhouses and beautification of the Village gates by installing brick walls. She accelerated the completion of electrical facilities and improvement of the water supply of the Village. She will be remembered as a humble and energetic leader.

### BARANGAY OFFICE

**CESAR J. BAUTISTA**  
First Elected Barangay Captain  
(1971-1989)

He and his council established the first medical and dental clinics for the residents and their domestic staff. A dedicated Barangay official whose aim was to deliver the basic, social, and economic services to his constituents to ensure a peaceful and safe environment in harmonious cooperation with DVA.

### VM OFFICE

**EMILIANO A. ANDRES**  
First Village Manager  
(1964-1998)

Began as an accountant for Ayala Corporation villages in Makati and was assigned to manage Dasmariñas Village in 1964. In 1982, he was offered to manage another but declined. He felt that the status of Dasmariñas Village as a premier residential community was the fruit of his hard work for 36 years. He mentored many employees to develop their skills and to help one another to be a true working team.

# **DASMARIÑAS VILLAGE SONG**

Music & Lyrics by Leo Quinitio

A dwelling place under the sun  
Where flowers bloom and birds freely fly

A splendid place with everything I need  
Amongst verdant trees beneath the sky

Here I relish life with family  
Abounding love, hale and hearty  
In a warm and responsive society  
A caring town, a doting community

At the heart of the city  
I found the perfect place for me

At the heart of the city  
Placid, peace, tranquility

At the heart of the city  
Real friends abide in harmony

Dasmariñas Village, you are for me
