To All Valued Residents:

You are all cordially invited to the BLESSING & INAUGURATION of our newly rehabilitated 1.0 Million Gallon Capacity AMORSOLO RESERVOIR on Tuesday, April 4, 2000 at 4 PM. This project was initiated by the Board of Governors 1998 - 1999 and implemented during the 1999 - 2000 Board Year.

This reservoir will help augment the water supply within the Village especially during summer and brownouts and will be for the exclusive use of Village Residents Only.

Your presence will be greatly appreciated.

Gratefully yours,

FRANCISCO V. HOLIGORES
DVA President
