TREE PRUNING

Mrs. Backie Celdran and Sister Marissa Lichauco, members of the Environment & Sanitation Committee, will give a talk on the care and pruning of trees.

DATE : Tuesday, May 16
TIME : 3:00 P.M.
PLACE : DVA Social Hall

This is intended for those responsible for shaping and pruning our trees (Meralco included). However, we invite interested residents to join us.

PUBLIC AREAS

The Board of Governors has decided to suspend the rental of the basketball court and the social hall to non-residents. It is the consensus that peace and order within our Village are paramount. We also wish to limit the influx of outsiders, lessen traffic and noise.
