CIRCULAR NO. 16-2000**

SECURITY

In view of the chaotic conditions prevailing in our country today we have initiated and adopted tighter security measures in Dasmarinas Village:

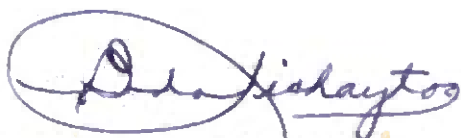

- 1. Stricter enforcement of Access Control Procedures;**
- 2. Tighter controls of vehicular and pedestrian traffic at the gates;**
- 3. Increased patrol at residences of ambassadors and embassy personnel;**
- 4. RED ALERT status of DVA security force; and**
- 5. Close coordination with El Tigre Security relative to intelligence reports and security updates.**

It is important that residents exercise caution and vigilance. Inform your family and domestic staff to be aware, to secure gates, lock doors and cars. Take necessary precaution at all times.

REPORT ANY UNUSUAL ACTIVITY OR ANY SUSPICIOUS PERSON/S IN YOUR VICINITY. NOTE OUR SECURITY OFFICE TELEPHONES: 810-8484, 810-8787 & 810-1515.

Please bear with us and be patient if our guards are stricter in enforcing our rules at the gates.

We wish to reassure you that the village is peaceful and secure. We have many blessings for which we are thankful.
