D.V.A.CIRCULAR NO. 17 - 2000

June 3, 2000

T R A F F I C

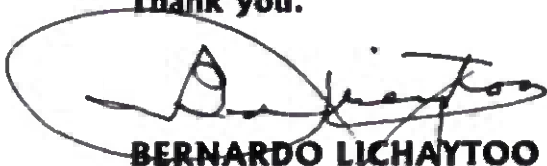

With the opening of schools on June 5, 2000 we expect traffic in and around Colegio San Agustin to be congested and heavy.

Our guards at the Palm Avenue gate will do all possible to move cars speedily. However, tight inspection of vehicles entering San Antonio Plaza blocks the one lane road leading to the Palm Avenue gate of Dasmarinas Village.

- **We are coordinating with the Security Force of Forbes Park to keep the intersection of Narra and Palm open to ease the bottleneck which builds up at this junction.**
- **We are assigning additional traffic monitors to keep traffic flowing.**
- **We are assigning a trained security guard to direct traffic at the intersection of Palm and Pasay Roads.**

We request your full cooperation by obeying traffic rules and observing due courtesy and patience.

Thank you.
