**ENVIRONMENT**

**The Board of Directors of DVA has organized an Environmental Committee composed of the following members:**

**Chairperson : Dr. Angelita T. Reyes**  
**Members : Sr. Marisa Lichauco**  
**Dr. Leo Lazatin**  
**Mrs. Corazon Espiritu**

**The Committee wishes to focus on specific areas every two months as we strive to improve our environment. For the months of June and July we recommend:**

- Please check your own vehicles for smoke belching. Make sure that the levels of smoke your cars emit is within tolerable limits. For diesel cars have the nozzles and injection pump calibrated. For gasoline cars have a tune up.**
- Prevent stagnant waters, swimming pools (unused) in your yard as this could be a breeding place for mosquitoes which are carriers of certain diseases like Dengue fever, etc.**
- Please help us restore the sidewalks to pedestrians. Please help us clean the sidewalks and if you have problems regarding pruning of plants and trees, contact Mrs. Backie Celdran through the village office tel. no. 817-3316.**

**Thank you for your cooperation.**
