D.V.A. CIRCULAR NO. 27 - 2000

DONATIONS TO ABS-CBN FOUNDATION

=====

Quoted hereunder is a letter we received from ABS-CBN Foundation, which is self-explanatory:

"The La Mesa water basin, consisting of a total of 2,700 hectares, has seen the replanting of 180,000 trees covering almost 300 hectares since Bantay Kalikasan started planting June 1999 up to August 2000. From its conception, hundreds of corporate and individual sponsors have responded to our urgent appeal to save the only rain forest left in the Metro Manila area.

However, we still have a long way to go before our work is done. We still have 900 hectares to develop and more than 550,000 trees to plant. Nonetheless, we remain undaunted despite the overwhelming task before us. We are encouraged by the enthusiastic response of the enlightened Filipino people who want to ensure that the next generation can enjoy clean air and water which the La Mesa project will yield.

On December 12, 2000, PASKUHAN PARA SA KALIKASAN will be held at the PSC Philsports Oval Field (formerly Ultra) in Pasig City. This will include a Garage Sale from 10:00 a.m. to 5:00 p.m., an auction of items owned by celebrities from 5:00 p.m. to 7:00 p.m., to be culminated with a free concert at 8:00 p.m. at the PSC Philsports Stadium attended by the ABS-CBN stars.

Those who want to donate used clothing, shoes, accessories, books, working appliances, knick-knacks and furniture may send it to the DVA office. The Foundation shall send a staff to personally receive your donations. Arrangements are underway as regards the schedule of pick up. We will communicate with you again regarding this as soon as we are able to finalize everything.

Thank you.

AMELITA D. GUEVARA
Acting President
