FREE GARBAGE BINS

The Dasmarinas Village Association Inc. with the generous support of Barangay Dasmarinas is happy to announce the distribution of garbage bins to all our residents for free. In this endeavor, we hope to achieve the following objectives:

- sanitation and cleanliness of our surroundings
- effective and faster system of waste collection
- beautification of our surroundings

Following are the implementing guidelines:

- Each house shall be entitled to one (1) free garbage bin with your address on it for identification purposes. Additional orders will cost P500.00/bin.
- These bins are only for biodegradable wastes: *kitchen waste, leaves, used disposable diapers, and the like.*
- Wastes should not be thrown directly into the bin but into the black plastic trash bag you already have, which will then be placed properly inside the bin so that the garbage collector will pull out these bags only.
- The garbage bin must be brought out of the house only between 7:00 PM - 8:00 PM daily to ensure that the wastes are collected.
- The garbage bin must be brought inside the house right after the garbage collector has collected the waste.
- Note: The bins are of one size and color.

You can pick up your garbage bin at the DVA office based on the following schedule:

<u>Last Number of Home Address</u>	<u>Schedule Day/Date of Pick-Up</u>
1 & 2	Monday
3 & 4	Tuesday
5 & 6	Wednesday
7 & 8	Thursday
9 & 10	Friday

Your cooperation in this regard is hereby enjoined. Thank you.
