BASURA KO, PANANAGUTAN KO !

My Trash is My Responsibility

Black Garbage Receptacles will be distributed to all residents for free (see the schedule for pick up of your garbage receptacle). Please be reminded that the black garbage receptacle is only for biodegradable garbage: kitchen waste, lawn cuttings, leaves (not branches) and anything that decomposes. These will be picked up daily by our garbage contractor.

"RECYCLE"

In line with the objectives of our Waste Segregation Program where we requested our residents to separate biodegradable from non-biodegradable garbage, the Association is also giving out for free a plastic sign with the word "RECYCLE" inscribed in it. The purpose of this sign is for our accredited junk buyers to know which residence has recyclable items (bottles, newspapers, tin cans, etc.) to sell. This way, the junk buyers don't have to ring the bell of every house.

For the success of this endeavor, please follow these implementing guidelines:

- The "RECYCLE" sign will be hung at a place where it can be easily seen by the junk buyers and **ONLY** when you have recyclable items to sell.
- Junk buyers are scheduled to go around the Village three times a week per area from 8:00 AM to 12 Noon. Your "RECYCLE" sign must be hung before this time. **NOTE:** Junk buyers are off on Sundays.
- Immediately after selling your recyclable items, remove the sign and keep inside your house for safekeeping.

QUESTIONNAIRE ON GARBAGE DISPOSAL

Attached is a questionnaire which we are urging everyone to accomplish in order to give us an idea of how residents feel about the garbage crisis and how we are to address this problem. Our guards or maintenance men will pick up the accomplished questionnaire within 2 to 3 days after it has been delivered.

You may call the office of the Village Manager, Mr. Mer R. Rodriguez at tel. no. 817-3316 for any clarification.

Thank you
