

D.V.A. CIRCULAR NO. 01-2001

January 12, 2001

G A R B A G E

=====

With the closure of the San Mateo dumpsite this government has not provided a viable alternative plan for garbage disposal. Our garbage collector, S.M. Coronado, is hard pressed to find dumpsites and therefore our collection service is erratic and, despite best efforts, extremely difficult to carry out.

Please extend your cooperation and attention to alleviate this stinking problem.

ALL RESIDENTS ARE REQUESTED TO

SEGREGATE WASTE -

- a. Bio-degradable waste - pick up schedules:
Monday - Wednesday - Friday - Sunday = Kitchen waste
Tuesday - Saturday = Garden waste

TIME : Bring out between 7:00 to 8:00 PM. Garbage bins should be brought inside your premises by 8:00 AM. Keep the sidewalk clean. Do not leave garbage outside.

- b. Non-biodegradable - waste which can be recycled.
Hang your yellow "recycle" sign by your gate. The junk dealer will then come by to pick up these items. He will only buy trash which he can resell. Therefore, we recommend that you give everything without charge. The poor man needs the money more than you do.

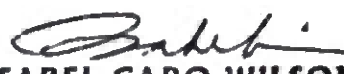

**UNLESS WE DO OUR SHARE WE SHALL WALLOW IN "BASURA"
THE REST OF OUR LIVES.**

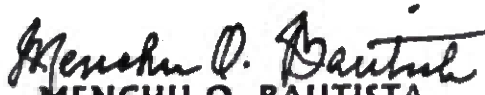

Last year (2000) we paid P4,507,610.00 for garbage disposal. We are now having to pay an additional P1,000.00 per trip which brings our monthly collection fee to approximately P400,000.00 per month.

NOTE: Effective immediately collection of excessive garbage, as opposed to normal loads, will be charged to the residents. Our Village Manager will discuss this with the resident concerned on a case to case basis.

If you have any problem with this circular, please contact our Village Manager, Mr. Mamerto Rodriguez, tel. No. 817-3316 who will be glad to clear your questions.
