D.V.A. CIRCULAR NO.11-2001

30 May 2001

**RECYCLING DRIVE ON
WORLD ECOLOGY DAY**

World Ecology Day will be celebrated on 05 June 2001. In this regard, the Philippine Daily Inquirer (PDI) is launching a recycling drive entitled "OLD PAPER, NEWSPAPER" to help address the garbage problem in the country. This endeavor hopes to:

- minimize paper waste
- reduce the need for dumpsites
- ensure the proper and safe recycling of old newspapers

PDI has invited various village associations to participate in this drive. At the end of the campaign, the village which has participated and collected the most number of newspapers shall be featured in the Inquirer in recognition of their cooperation and support.

Dasmarinas Village will participate collectively in this campaign under the following guidelines:

- PDI will buy old newspapers (only dry broadsheet/tabloid newsprint paper of any kind) at P3.00/kilo.
- All your old newspapers should be brought to the DVA office, c/o Bong Saplandante, every Tuesday or Friday during office hours (8:00 AM – 5:00 PM).
- A logbook shall be maintained for this purpose with the following information:
 - Date
 - Name of resident
 - Weight of the newspaper brought in
 - Signature of Resident/Representative
- The accumulated newspapers will be sold to PDI and the corresponding share of the resident(s) who participated will be given after the campaign period.
- A circular will be issued containing the names of the residents who participated in and their percentage share in the total amount of newspapers collected.

CAMPAIGN PERIOD: June 5 – September 5, 2001

We encourage all residents to join this newspaper drive and help protect our environment and our world, the only one we have. Let us show that our Village cares.

ISABEL CARO WILSON
President
