July 10, 2001

G A R B A G E

Due to heavy rains which makes it extremely difficult for the garbage trucks to reach the dumpsites, we are revising garbage collection services.

Effective **Thursday, 12 July 2001**, garbage will be collected between **12:00 N.N. and 1:00 P.M. DAILY. THIS IS TEMPORARY.** We will return to the old nighttime schedule as soon as conditions at the dumpsite normalizes.

Garbage bins should be brought back in after collection. Please do not leave receptacles, etc. on the sidewalks.

Thank you for your understanding and cooperation in this regard.
