Christmas Cheer

We have started decorating our village in preparation for the holiday season. Our theme colors are *white, silver and blue* – using recycled decorations from the year past. We shall keep our décor simple but hope we can generate a spirit of harmony and Christmas cheer.

We encourage our residents to decorate their homes. We suggest a Parol Festival (faroles or Christmas lanterns) in keeping with our festive tradition.

Christmas Cheer for Children

Please look into your closets and send us books, toys or used clothing for children.

We shall donate these to BANTAY BATA (an NGO for children) and assure you that whatever good you do will benefit a poor child ten times over.
