## **2002 CHRISTMAS FUND DRIVE**

It is that time of the year when we can show our appreciation to assure everyone who serves our community that their services are not taken for granted. These are:

Because of the economic difficulties affecting so many we suggest a minimum gift of P1,300.00 per household. All contributions will be properly receipted. In order to safeguard privacy we shall not publish the donors' list. However, residents are welcome to check our records.

Please do not entertain any private or direct requests for Christmas gifts or donations from any of the above personnel. If any such request is made, please report the matter directly to our Association office.

We would appreciate your voluntary contributions before December 10 for distribution on December 15. Funds received after December 15 will be distributed by the middle of January 2003.

We hope you will respond to this appeal. Your generosity will be much appreciated. Thank you.
