We have reports that unidentified persons have approached two "yayas" or nannies to solicit information. In both instances they were unsuccessful. The maids reacted correctly (no info given) and reported the incidents to their employers.

Please implement the following security measures:

- Instruct your children and household staff not to give any information about your family to anyone – whether in person or by telephone.
- Report any unusual activity to the security office immediately.
- Secure your house by always keeping entry areas locked.
- Be alert and be conscious of the need to tighten security.

Having said all of the above we want to reassure you that our Village continues to be a safe haven. It is, however, a good reminder for us to take all necessary steps to ensure our safety.

The security office telephone numbers are: 810-1515 – Capt. O. Bueno
810-8484; 810-8787 – Desk Officers
