UNAUTHORIZED COMMERCIAL ACTIVITY

=====

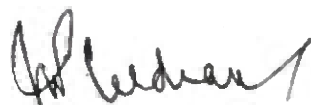

We are writing this letter in response to several complaints received by our office regarding the owner of the vacant lot at the corner of Palm and Acacia Street who is using the property for openly selling mangoes.

The present DVA Board is committed to uphold the provision of our By-Laws which states that Dasmarinas Village is "strictly a residential subdivision" which does not allow commercial activities without the approval of the Board.

After several warnings both verbal and written the property owner concerned has still refused to follow Village regulations.

Be rest assured, we are doing whatever we can to rectify the situation. In the meantime, kindly refrain from patronizing the said product.

Thank you.
