**APPEAL OF URDANETA VILLAGE
RE: PARKING OF VEHICLES**

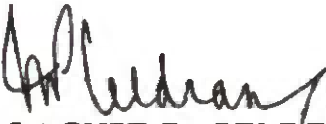

The Urdaneta Village Security is appealing to all residents of other villagers, with inter-village stickers, to refrain from using their streets as a parking lot for vehicles which are left by car owners who have business nearby.

Under the Inter-Village Reciprocity Agreement, the DVA sticker issued to our member-residents is intended for the sole purpose of providing us with an alternate access road for passing through especially during traffic but not for parking. Let us not abuse this courtesy.

We, therefore, request our residents to cooperate with Urdaneta Village in their effort to keep their streets free of non-resident cars.

Moreover, MMDA-deputized security personnel of Urdaneta Village will start to issue within this month Traffic Violation Receipts (TVR) for motorists caught violating their traffic rules and regulations.

Thank you.
