DOG OWNER'S RESPONSIBILITY

Dear Residents:

Do you or your household help take your pet dogs outside of your premises for a walk? If you do, make sure to bring along a **PLASTIC BAG** to clean up animal waste your pet may have discharged.

Residents, if you spot anybody walking a dog without one **please report them immediately to the DVA office**. Chances are, the dog has already defecated in your or your neighbor's frontage. We do not want our sidewalks, streets and parks laced with "poopod". **Per Barangay Ordinance No. 98-26, a citation and/or a penalty of P500.00** will be imposed on pet owners who do not abide by this rule.

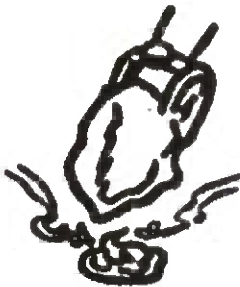

A responsible dog owner cares for the cleanliness of his surroundings; **a concerned resident** lets us know of pet owners who do not care for the welfare and sanitation of our Village. You will find the simple instructions below helpful in cleaning up your pet's waste.

BACKIE P. CELDRAN

President

Insert your hand in the bag and pick up your dog's waste.

Reverse the bag allowing the waste to be properly secured inside and tie the bag.

Throw the bag in the trash can for residuals.
