In maintaining our image as the "***Village Star***", we have started decorating our main gates again and the stretch of Pasay Road with different colors and sizes of lanterns or "***parols***". Ever since we came up with this project several years ago, the Association has received a lot of positive feedbacks from both our residents and guests.

We encourage you to have a "***parol***" or star lantern in front of your house in keeping with our festive tradition and generate a spirit of Christmas cheer in our Village. Let us make our Village the most star-filled one!

Hoping to see a "***star***" in your house soon.....
