TRAFFIC RE-ROUTING SCHEME
DURING CSA SCHOOL DAYS & SPECIAL ACTIVITIES

Colegio San Agustin (CSA) will start school on Wednesday, 08 June 2005.

The DVA Security & Traffic Committee and CSA have agreed to implement a different traffic re-routing scheme along the streets surrounding the CSA campus from 6:00 AM to 8:00 AM and from 2:00 PM to 5:00 PM and during special CSA activities:

Palm Avenue From Pasay Road up to Carissa Street, vehicular traffic will be one-way.

Vehicles coming from Magnolia and Milflores Streets are only allowed to take a right turn to Palm Avenue.

Vehicles going to the CSA campus are to take the 2 campus side lanes while the 2 residential side lanes are for through traffic.

Carissa Street From Palm Avenue to Lumbang Street, vehicular traffic will be one-way.

The campus side lane is designated as "DROP/PICK-UP & GO ZONE." The residential side lane is for through traffic.

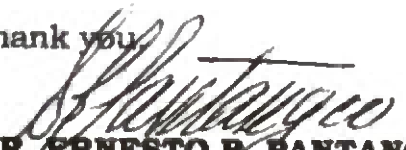

Lumbang Street From Carissa Street to Pasay Road, vehicular traffic will be one-way.

The campus side lane is designated as "DROP/PICK-UP & GO ZONE." The residential side lane is for through traffic.

Parking will not be allowed along the above-mentioned streets when the traffic re-routing scheme is in effect. This regulation covers outsiders and residents alike. Parking at other streets will be regulated by existing policies.

During the hours mentioned above or when the re-routing scheme is in effect, residents are requested to use alternate routes. The traffic re-routing map is attached for your reference.

Thank you
