**RENOVATION OF VILLAGE GATES
AND GUARDBOUSES**

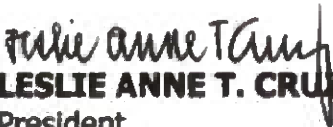

Greetings !

In line with our beautification program, the Board of Governors has approved plans to remodel all our Village gates and guardhouses to make them not only attune to modern times but to address also the Village's security and traffic management needs.

This project will commence this week and is expected to be completed in three (3) months time.

Please bear with us for the little inconvenience you may encounter.

Thank you.
