SECURITY CONCERNS

Dear Residents:

Greetings!

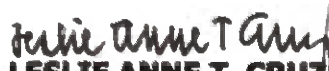

It has recently come to the attention of the Dasmarinas Village Association (DVA) that several non-residents have gained access into the Village without passing through security at our pedestrian gates, whether for legitimate reasons or otherwise (such as during the recent Halloween celebration).

In most instances, family drivers are prevailed upon outside the Village gates to give such persons a ride into the Village, their being acquaintances – fellow drivers, former co-employees, construction workers, etc. However, former employers have banned some of these persons from entering the Village for legitimate reasons and which fact is not made known to the drivers allowing them a ride. At times these third persons are complete strangers who merely befriend the drivers.

In the interest of our common security, peace and order in the Village and to prevent any untoward incidents, we urge you to advise your drivers to refrain from entertaining such requests.

Thank you for your cooperation.

Very truly yours,

LESLIE ANNE T. CRUZ
