SECURITY & SAFETY MATTERS

In light of the holidays, we enjoin all residents to take basic security & safety measures particularly when using fireworks, extensive use of decorative lighting, parking cars along the streets and when leaving for vacation.

Please be advised that caroling inside the village is not allowed unless expected by Village residents and coordinated with the Association or the Security Office.

To facilitate the entry of guests during parties, it is necessary that the Association or the Security Office be informed beforehand.

Recent reports indicate that unscrupulous individuals are engaged in unauthorized solicitations. Several individuals have in fact been apprehended and accosted by Village security personnel. Please immediately report the presence of these individuals to the Security Office.
