SECURITY CONCERNS

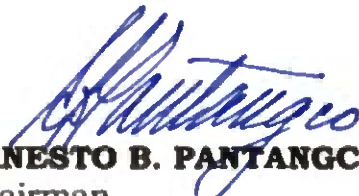

Several attempted intrusions and intrusions have been reported recently particularly at the residences along the EDSA perimeter (Paraiso Street). Residents are again reminded to take the necessary security measures to prevent such occurrences. More particularly, ensure that all windows, doors and access to the house are locked securely at all times, turn on lights in the garden/property at night and keep valuables in secured places.

Plans are afoot to improve security along the said perimeter and Village security personnel have been posted thereat as temporary measure to deter third persons from climbing the walls.

Should anyone notice any suspicious activity or individuals, please report the same immediately to the Village Security Office at:

810-8787 810-8484 810-1515

Thank you.
