D.V.A. Circular No. 2006 - 29

July 12, 2006

Dear Residents,

Greetings!

Your Board of Governors has observed that many residents have planted agave plants along the sidewalks. These agave plants have pointed stems with thorns on running along the sides. There is a great possibility that people walking near these plants may be injured, especially children who are unaware of the thorns and pets being walked.

In light of your Board of Governors' constant endeavor to making our home a safe place for everyone, it passed a resolution at its last meeting, banning agave plants along our sidewalks.

We thus request all residents who have planted agave plants in front of and outside of their property to remove the same as soon as possible, without penalty. Should you need assistance disposing of your agave plants and/or have any questions, please do not hesitate to contact our Village Manager, Mr. Mer Rodriguez, at 817-3316.

Thank you for your cooperation.

RAMON G. ARTEFICIO

Governor & Chairman

Maintenance & Sanitation Committee
