February 6, 2012

**AN INVITATION – BLESSING AND INAUGURATION
OF EXPANDED FITNESS GYM**

=====

Dear Neighbors,

The DVA Board of Governors has always believed in providing the village residents with first-class physical fitness facilities. Today's gyms showcase the modern exercise machines from cardiovascular to muscle toning and strengthening.

It is with this consistency that the Board focuses its efforts on activities and projects that are intended to maintain a healthy lifestyle. Some of these are basketball, badminton, tennis, futsal and golf tournaments, fun-runs and even a bike rally. The village also has its internal jogging lane, outdoor exercise equipment at the Mahogany park and lately, the expansion of the fitness gym where its area was extended to the second floor and brand new, state-of-the-art gym equipment was acquired to complement our existing gym on the ground floor.

Please join us for the blessing and inauguration of the gym extension. Surprises await our guests on **FRIDAY, FEBRUARY 10, 2012, 5:00 PM.**

Cocktails will be served. Come in your casual attire. See you then!

LUIS TADEO R. ABELLO
President
