PHASE OUT OF MERALCO STREETLIGHTS

Dear Residents:

We wish to inform you that the Association have implemented the phase out of the MERALCO streetlights and in its place, started to install our own lampposts with compact fluorescent light (CFL) bulbs.

The objective of this project is to replace all 485 MERALCO lights with CFL 55 watts to generate a projected annual savings of about ₱3M upon completion.

Phase I which comprises Pasay Road, Tamarind and Amorsolo Streets are now completed and operational. Phase 2 consisted of Mahogany, Calumpang, Campanilla, Dasmariñas and Lumbang Streets is on-going and is about 60% completed. Phase 3 which covers the rests of the roads within the Village shall commence by the third week of this month of October.

For your information and guidance.
