Re: Unmaintained Swimming Pools

Dear Residents/Property Owners:

In view of several dengue reports we have received from residents of our Village, the DVA Board in its meeting last July 17, 2013, resolved and approved a policy on swimming pools. All residents that have swimming pools inside Dasmariñas Village are required to have their swimming pools regularly cleaned and maintained. This is to prevent the breeding of mosquitoes and other insects which pose a hazard to the health of the residents.

We reproduced Board Resolution B.G. No. 2013 – 938 below for your ready reference and guidance:

RESOLUTION B.G. NO. 2013 – 938

RESOLVED, as it is hereby resolved, to sanction and provide penalties to those who will not maintain their pools as follows:

1st Offense	:	P 1,000.00
2nd Offense	:	P 3,000.00
3rd Offense	:	P10,000.00

We encourage residents to be vigilant and to report any unattended swimming pools to the DVA Office.

For your information and compliance.
