TRAFFIC SCHEME DURING SCHOOLDAYS

Dear Residents:

Please be informed that the same traffic scheme we used last year shall be implemented starting on the opening of classes at Colegio San Agustin (CSA) on June 9, 2014. The entry of additional CSA vehicles within the Village may cause inconvenience to our residents. We are, therefore, seeking your kind understanding and patience in this regard. We advise that you avoid taking the streets near CSA and to take alternate routes instead.

Attached is a diagram of the traffic scheme which will be implemented starting **JUNE 9, 2014, MONDAY TO FRIDAY, from 6:00 AM to 8:00 AM and from 2:00 PM to 4:00 PM, and DURING EARLY DISMISSAL/MAJOR EVENTS OF CSA.**

Some features of this scheme are:

- CSA vehicles shall be allowed to pass through **ONLY** along Pasay Road (from the gate to Palm Avenue), Palm Avenue (from the gate to CSA), Lumbang Road (from Carissa to Acacia to exit Palm Avenue gate and exit to Lumbang gate) Amoroso Road (from gate to Palm Avenue) and Carissa Street (from Palm Avenue to Lumbang). Refer to shaded portions in said drawing.
- Palm Avenue, from Magnolia to Carissa, will be one-way and so is Carissa, from Palm Avenue to Lumbang.
- Some street intersections near CSA will be manned by traffic personnel to guide motorists on which way to pass.
- CSA vehicles are not allowed to park or loiter along Village streets any time and violators apprehended shall be fined/penalized.

For your information and guidance.

Thank you.
