D.V.A. Circular No. 2014 – 22

September 27, 2014

STREET PARKING CONCERNS

Dear Residents:

In our DVA Circular No. 2014-16 dated July 2, 2014, we listed at least three (3) major concerns on street parking, to wit:

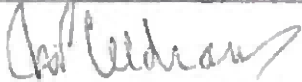

- Vehicles including golf carts, speedboats, all terrain vehicles (ATV), are parked along the streets,
- Vehicles are parked in front of another resident's house,
- Vehicles are parked on both sides of some streets.

At its meeting held on September 18, 2014, your Board of Governors approved a resolution aimed at reducing the volume of vehicles parked along the streets and sidewalks at nighttime, and addressing other street parking issues and complaints of our residents. This resolution includes, among others, the following:

- **General Rule:** NO VEHICLE SHALL BE PARKED ALONG VILLAGE STREETS AND SIDEWALKS. **Exemption:** Residents may be allowed to park along the streets but ONLY for their excess vehicles that cannot be accommodated inside their lot or garage.
- **Specific Rules & Regulations:**
 1. Only two (2) excess vehicles per house may be allowed to park along the street and shall be parked only in front and along the side of the resident's house;
 2. Residents may park their excess vehicles in front or along the side of another resident but a written consent of the latter shall first be secured;
 3. Golf carts, ATVs and speedboats shall be parked inside the resident's garage at all times;
 4. All type of vehicles shall not be parked at all times in front of fire hydrants, street curbs and other DVA-designated NO PARKING areas such as Campanilla and Mahogany parks where overnight parking is not allowed except for vehicles owned by DVA and Barangay.

Included in the proposal of the Street Parking Committee which was formed by your Board of Governors primarily to make a study on this matter is the introduction of an overnight parking sticker and the inclusion of a penalty provision to ensure compliance of the street parking rules and regulations as above-stated.

We welcome your comments and suggestions which can be sent to our email address: dasma.association@yahoo.com.
