D.V.A. Circular No. 2015 – 02

January 31, 2015

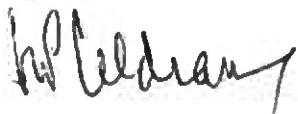

**UPDATE ON STREET PARKING
RULES & REGULATIONS**

Dear Residents:

Pending resolution on the final version of the "OVERNIGHT PARKING RULE" which may include some of the proposals and suggestions that several residents presented in their formal letter to DVA and were reiterated during a meeting held at the Pavilion last December 9, 2014, please be informed that the DVA Board shall implement the other Street Parking rules that are not related to the "OVERNIGHT RULE" which the Board approved earlier. These street parking rules which were mentioned in DVA Circular Nos. 2014-16 dated July 2, 2014 and 2014-22 dated September 27, 2014, are necessary to preserve the peace, order and harmony in our community and for the general safety of our Village that may be jeopardized due to improper parking of vehicles.

The final version of the "OVERNIGHT PARKING RULE" will be finalized before the issuance of the 2015 car stickers which we intend to release on May 2015. For your benefit and information, we reprinted in the attached sheet these Street Parking Rules & Regulations, which shall be implemented ten (10) days from the date of this circular.

Thank you.
