TRAFFIC SCHEME DURING SCHOOLDAYS

Dear Residents:

Please be informed that there will be a slight revision in the traffic scheme that we will implement starting in the opening of classes at Colegio San Agustin on June 10, 2015, MONDAY to FRIDAY, from 6:00 AM to 8:00 AM, and from 2:00 PM to 4:30 PM and DURING EARLY DISMISSAL/MAJOR EVENTS OF CSA.

In our desire to improve our traffic management system inside our Village during schooldays which will hopefully address traffic congestion and faster turnover of vehicles, we will use the previous traffic scheme with the following revisions:

- CSA vehicles can still enter in four (4) gates, namely: Lumbang, Amorsolo, Pasay Road and Palm Avenue and can exit in the same gates EXCEPT at Pasay Road.
- One side of Dasmariñas Avenue may be used by CSA vehicles, from Lumbang to Palm Avenue, to exit at Amorsolo gate.

CSA vehicles are confined only in streets as indicated in the shaded portions of the attached drawing.

CSA vehicles are not allowed to park or to loiter in Village streets anytime and violators shall be apprehended and fined.

This traffic scheme will be on an experimental basis for several weeks and will revert to the previous scheme if traffic congestion inside our Village will persist under the revised scheme.

For your information and guidance.

Thank you.
