SPIRIT OF COMMUNAL UNITY

Dear Residents:

One advocacy that the present DVA Board of Governors wants to continue is the practice of communal unity in our Village where efforts are exerted by every member/resident to achieve a particular objective or purpose.

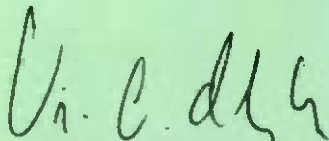

In this light, we enjoin our residents to exercise the spirit of communal unity in the following areas of concern:

- **CLEANLINESS** – Beside Security and Safety, cleanliness of our surroundings is another gauge which makes our Village a premier community. Although we have hired streetsweepers, they may not always be around to maintain the cleanliness of our Village streets and sidewalks.

You can contribute in addressing this concern by please instructing your "kasambahay" to regularly clean the area in front of your house.

- **SIDEWALK PLANTING STRIP** – DVA has a rule limiting the number of trees on the planting strip to its current number and allowing only certain species of ground covers such as peanut plant and grass. Note: (1) The "planting strip" is referred to as that portion of the right-of-way behind the curb line and between the curb line and the sidewalk or between the sidewalk and the right-of-way line that is used for planting of trees, grass or ground covers. (2) The Village sidewalks belong to DVA and no part thereof shall be "touched" without the prior approval of DVA.

Should you need further clarification as to the type of plants that are allowed by DVA to be planted in the planting strip, you may call Ms. Rochelle Eco at Telephone No. 843-2262 loc. 113.

VICTORIA C. DELOS REYES
