D.V.A. Circular No. 2016 – 11

February 15, 2016

VEHICLE ACCESS AT PARAISO STREET

Dear Residents:

Please be informed that the DVA Board of Governors approved a resolution during its regular meeting held on January 28, 2016 wherein we will revert to the NO ENTRY/NO EXIT POLICY for vehicles at Paraiso Street, effective TEN (10) DAYS from the date of this circular.

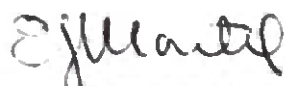

Allow us to present the following justifications for such decision:

1. Based on actual statistics gathered during the latter part of November to the early part of December last year:
 - The average number of vehicles that entered Paraiso Street was 55/hour (high side) and 19.0/hour (low side),
 - The average number of vehicles that exited Paraiso Street was 91.0/hour (high side) and 15.6/hour (low side).
 - 55 vehicles/hour entering (or less than one vehicle per minute) and 91 vehicles/hour exiting (or 1.5 vehicle per minute) can be easily handled by the guards assigned at the Pasay Auxiliary gate.
2. This Board initiative will also help in a faster vehicle turnover especially at the exit lane of Pasay Road because we will be able to eliminate the bottleneck at the Pasay/Paraiso intersection caused by vehicles exiting at Paraiso Street.
3. The potential savings from the removal of three (3) guards assigned at the Paraiso entrance/exit gates, estimated at about ₱100,000/month, can be channeled to other projects that will be more beneficial to majority of our residents.

Thank you for your support and cooperation.

MAMERTO R. RODRIGUEZ
Village Manager
