CASH REWARD FOR CAT KILLERS

Dear Residents:

In our January 25, 2016 circular, we sounded off the alarming disappearance/deaths of cats within our Village and that none of these cats died of natural causes. Since then, an additional seven (7) deaths was reported by our Security office.

These incidents have caught the attention of PETA (People for Ethical Treatment of Animals) Asia and is offering a reward up to ₱50,000.00 for information leading to the identification and conviction of those responsible for such cruel acts.

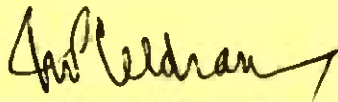

PETA Asia released the following statement: "It's imperative that any community faced with a violent act such as the vicious killing of cats of Dasmariñas Village take measures to find the culprits and bring them to justice. Animal abusers are a danger to everyone. They take their issues out on whomever is available to them, human or non-human, and must be caught before they act again. We're appealing to anyone with information about those responsible for these cruel crimes to come forward now so that the perpetrator or perpetrators can be persecuted to the fullest extent of the law."

The undersigned is enjoining anybody who can provide information on the killer/s of Village cats to call the following persons:

- Mr. Orly Bueno, DVA Security Officer
810-1515/ 8108484 / 810-8787
- Mr. Mer Rodriguez, Village Manager
843-2262 / 843-3948

Rest assured that your identity will be held in strictest confidentiality.

Thank you.
