DVA Circular No. 2016 - 29

June 24, 2016

OPENING OF PARAISO ENTRANCE/EXIT GATES

Dear Residents:

We have observed that vehicular traffic has become a serious concern since the CSA schoolday opened on June 13, 2016, with long lines of vehicle along our main streets especially at Pasay Road and Palm Avenue practically the whole day.

To address this issue, and upon the recommendation of the Traffic Maintenance, Security & Traffic Committee, we shall open Paraiso entrance/exit gates from 6:00 AM to 6:00 PM on weekdays for vehicles with DVA stickers only effective immediately and until another solution can be devised.

Please be guided accordingly.
