**HOMEOWNERS ON AMORSOLO ROAD**

Dear Residents:

As I was checking our village grounds, I found trash on the sidewalk by our village perimeter on Amorsolo Road. Please note that our resident's trash bags should only be placed outside their lot perimeter and not across the street as is happening now.

We hope you can cooperate so that our village will maintain a clean and green community thereby achieving a pleasant atmosphere. We should not allow homeowners to throw their trash in open areas. I understand and note that not all residents are concerned.

Thank you for your attention and cooperation.

Sincerely,

**BARBARA D. GO**

Chairperson  
Community Affairs & Beautification Committee
