THERMOPLASTIC PAVEMENT MARKINGS

Dear Residents:

In line with our vision of "Responsible, Modern and Sustainable Community Living", please be informed that the current Board is implementing a project involving the repainting of our road markers using thermoplastic paint along the streets of Dasmarinas Village starting on **Thursday, March 23, 2017** and is estimated to be completed on **Saturday, April 29, 2017**. Said paint is more economical because it is expected to last for a period of five (5) years and is more visible especially at night.

Thank you.

Very truly yours,

MAMERTO R. RODRIGUEZ
Village Manager
