**TRAFFIC SCHEME DURING SCHOOLDAYS**

Dear Residents:

Please be informed of the traffic scheme that we will implement in the opening of classes at Colegio San Agustin on June 13, 2017, MONDAY to FRIDAY, from 6:00 AM to 8:00 AM, and from 2:00 PM to 4:30 PM and DURING EARLY DISMISSAL/MAJOR EVENTS OF CSA.

In our desire to improve our traffic management system inside our Village during schooldays which will hopefully address traffic congestion and faster turnover of vehicles, we will use the previous traffic scheme as follows:

- CSA vehicles can still enter in four (4) gates, namely: Lumbang, Amorsolo, Pasay Road and Palm Avenue and can exit in the same gates EXCEPT at Pasay Road.
- One side of Dasmarinas Avenue may be used by CSA vehicles, from Lumbang to Palm Avenue, to exit at Amorsolo gate and Lumbang gate.
- Lumbang Street, from Dasmariñas Avenue to Amorsolo, is off limits to CSA vehicles on both sides.

CSA vehicles are confined only in streets as indicated in the shaded portions of the attached drawing and are not allowed to park or to loiter in Village streets anytime and violators shall be apprehended and fined.

We enjoin our residents to avoid passing through the streets surrounding the school, if possible, for a more convenient travel.

For your information and guidance.

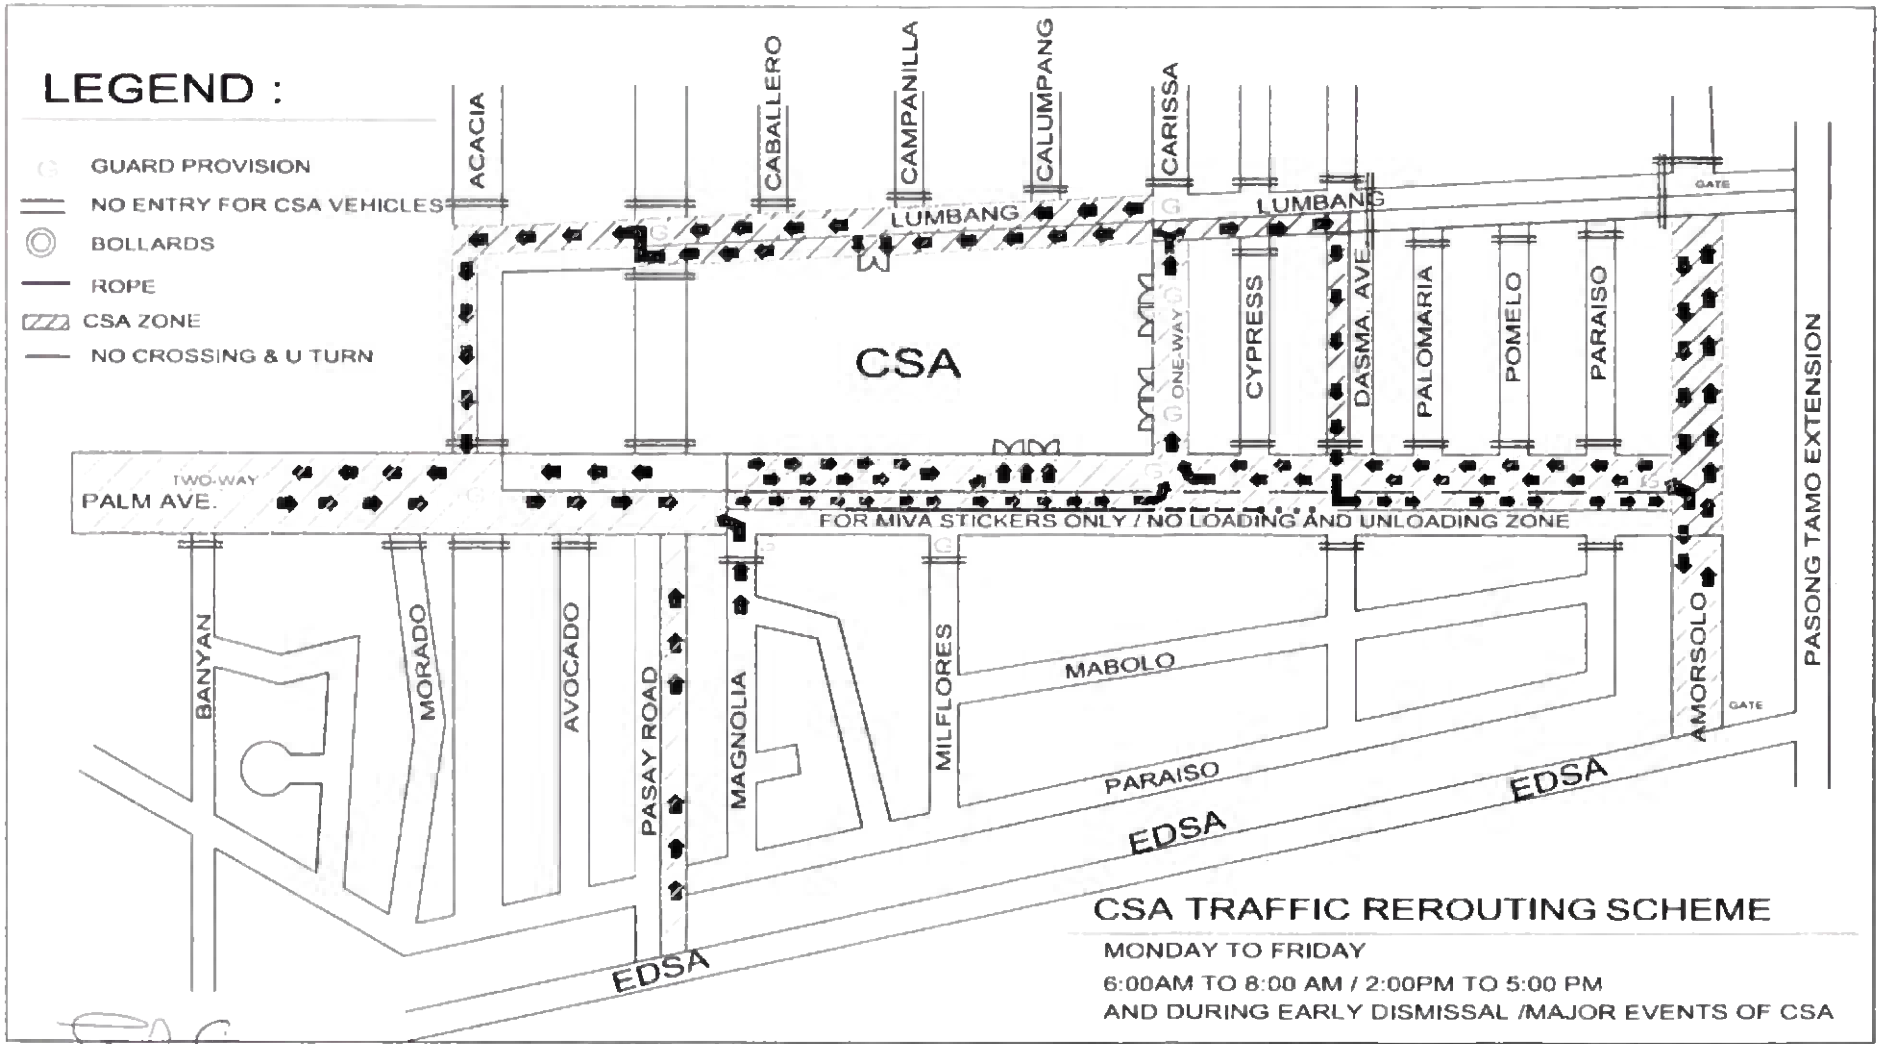

Thank you.
