ONE-WAY TRAFFIC EXPERIMENT – PORTION OF MAHOGANY ROAD

Dear Residents:

Mahogany Road, being one of the busiest roads in our Village, was made into a one-side parking about six years ago primarily to decongest said street of vehicles parked on both sides.

Compared to other parts of Mahogany Road, the portion of Mahogany Road, from Dasmarinas Avenue to Amorsolo Street, had become congested due to many cars parked along the street causing problems to both residents living in the area as well as to passing motorists.

To address this problem, and upon the recommendation of the Traffic Committee, we will come up with a traffic experiment starting March 1, 2018 wherein Mahogany Road, from Dasmarinas Avenue to Sampaguita Street, will be made into a: 1) one-way southbound traffic zone; with 2) two-side parking.

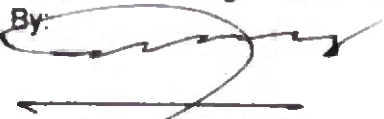

All existing parking rules of DVA shall continue to be enforced, such as but not limited to:

1. Two vehicles allowed to park in front of a house, with written consent of resident if vehicle will be parked in front of another house.
2. No parking along the side of Mahogany Park at all times.

For comments and suggestions regarding this matter, please send them through email address: dasma.association@yahoo.com.

Thank you.
