2018-2019 DVA Vehicle Sticker Issuance Guidelines

I. MIVA SECNET POLICY (Jointly approved by BAVA, DVA, FPA and UVA)

- Strict maximum of twelve (12) Inter-Village Stickers per property. The 12 stickers privilege shall be strictly limited only to residents/property owners and their immediate family members. This means parents, children and siblings only.
- Residents must honestly declare in the vehicle sticker application form if the vehicle is resident owned or owned by a third party (non-resident being sponsored for issuance of a sticker). Resident's declaration shall be considered true and factual. Any misrepresentation may be ground for the cancellation/revocation of the sticker issued.
- Beyond the allocated 12 Inter-Village Sticker entitlement, village specific stickers valid only for entry/exit at the issuing village (i.e., Dasmarinas Village only sticker; no inter village access) shall be issued to the property owners/resident.
- Vehicles of third parties (non residents/non property owners sponsored by a resident/property owner/long-term lessee) shall be issued with a village-specific sticker (e.g., Dasmarinas Village sticker only, no inter village access).
- A third party issued with a Dasmarinas Village only sticker can also apply separately for the stickers of the other 3 villages upon written endorsement from the sponsoring property owner/resident through the DVA Management. For example, if a third party endorsed by a DVA member is issued with a Dasmarinas Village only sticker, that third party can also apply for a FPA, UVA or BAVA sticker upon endorsement by DVA. Same process is followed by the other 3 villages.
- The privilege of access to the other villages using an Inter Village Sticker is for passing through only and not for parking inside a village unless visiting a particular resident thereat.
- Owners/Drivers of vehicles bearing an Inter-Village Sticker issued by any of the MIVA villages must follow all traffic rules and regulations of the issuing village, as well as of the other member villages. Motorists must at all times show respect and courteous attitude to the security officers/traffic enforcers implementing the traffic rules and regulations.
- Fines imposed for any traffic violation must be settled promptly at the HOA administration office concerned. Serious traffic violations may result to the revocation of the inter village access or cancellation of the sticker issued to the vehicle subject of the violation.
- Removal of sticker and affixing it to another vehicle is strictly prohibited. Penalty for illegally transferring a sticker to another vehicle is P10,000.00.
- All vehicles issued with Inter-Village Sticker shall be strictly for private use of the owner.
