DVA Circular No. 2018 – 12

August 6, 2018

FOR YOUR INFORMATION AND REQUEST FOR ASSISTANCE

Dear Residents:

We would like to inform you of the following for your guidance:

- **OPENING OF THE PILI/PALM AVENUE GATE** - The Pili/Palm Avenue gate of Forbes Park will be temporarily open for vehicles with MIVA stickers from 6:00am to 6:00pm, Monday to Sunday, in view of the implementation of their Gates Improvement Project wherein their main gates will be re-constructed.

This move will prevent the clogging up of vehicles at the Palm Avenue/McKinley/Narra areas and will benefit our residents especially those who are going to San Antonio church and to the Global City.

- **OLD DVA STICKERS** – The old 2017 – 2018 DVA stickers are expiring on August 15, 2018 so for your convenience we request those who have not yet availed of the new DVA stickers to visit the DVA office and secure the new ones.
- **SANITATION/PREVENTION OF DENGUE** - With the advent of the rainy season, dengue cases are generally on the rise. Preventive is better than cure so we request our residents to ensure that no stagnant water are present in our surroundings because this is the breeding place of mosquitoes carrying the dengue virus.
- **SANITATION/RATS & SQUIRRELS** – We would like to solicit your cooperation again in helping us catch the rats and squirrels through the use of the traps that we issued to you last year. You may call our Asst. Village Manager, Mr. Romy Cruz, at telephone no. 832-2262 loc. 125 for assistance in this regard.

Thank you.
