RECYCLABLE WASTE SEGREGATION

Dear Residents:

The Dasmarinas Village Association has initiated on an experimental basis the segregation of **recyclable waste** of the residences along Campanilla, Calumpang, Mahogany and Kamias Streets which was launched on August 15, 2019. Recyclable waste can be brought out at the following locations: 1) Campanilla fronting the DVA Office or Campanilla near the Kiosk and 2) Mahogany/Kamias Park.

Recyclable waste that can be brought at the sites are: paper, plastic, softdrink cans, and metal.

If this program is successful, more trash bins will be distributed in designated locations along the streets of the village.

The success of our recyclable waste segregation program depends on every one's cooperation.

Thank you.
