UNAUTHORIZED CAROLING / SOLICITATION

DVA has **NOT** authorized anybody to do caroling or house-to-house solicitation. If you notice any such activities, kindly report them to the DVA Security Office (Tel. No. 8810-8484 or 8810-8787).

PARTIES CELEBRATED AT HOME

We remind all residents to notify DVA in advance of parties that you will be holding at your homes and also provide us with a list of your guests so that their entry into the Village may be facilitated.

We also encourage residents holding parties to keep any noise at a reasonable and neighborly level and to inform their neighbors of the party schedule to avoid any issues. We would like to remind you of DVA's Policies and Procedures on Noise and Public Nuisance, which states that "consideration must be extended and maintained for the privacy and peace of the neighbors in the Village. Unnecessary horn tooting, annoying sounds, noisy vehicle's mufflers, loud and amplified music must be avoided and/or prevented."

Should residents holding parties require assistance from DVA security guards (e.g. for orderly management of traffic and parking), please make arrangements with the DVA Security Office at least one week in advance. A fee may be charged by our security agency for the deployment of additional security guards.

We also request all residents holding parties to make restrooms and trash bins available for use by drivers of their guests, so that we can maintain the cleanliness of our streets and sidewalks.

Thank you.
