**DVA SECURITY ADVISORY DURING THE
CHRISTMAS HOLIDAY SEASON 2019**

Dear Residents:

In recent weeks, we have received reports thru the Makati Inter Village Association of robberies especially against homes close to the perimeter walls of private villages. DVA has been fortunate in our security situation in terms of robberies but with the peak of the holiday season fast approaching, we want to remind our residents to be extra vigilant.

In our continuing effort to serve you better, the DVA Security Office would like to remind you of the following security and safety measures:

1. Ensure that all your doors and windows are properly locked.
2. If your family is going on vacation, assign a trusted relative/staff member to look after your house. Please make sure swimming pools are attended to properly to avoid becoming breeding grounds for dengue mosquitoes.
3. Unplug all electrical appliances from the outlet or shut down the main switch if nobody will be left to look after your house.
4. Keep combustible materials properly stored.
5. Instruct your staff not to disclose to any caller or unknown visitor the identity of your family and not to share any information unnecessarily.
6. Report any suspicious individual in your area to the DVA Security Office.
7. Install CCTV cameras or alarm equipment in your property.
8. For any assistance, do not hesitate to call DVA Security Office at telephone numbers 8810-1515 and 8810-8787.

We also want to take this opportunity to inform our residents that starting December 1, 2019, the vehicular exit at the Pasay Road gate will be open beginning 5 am. This is to aid our residents in managing holiday traffic.
