HIRING OF NEW VILLAGE MANAGER AND OFFICE MANAGER

Dear Fellow Members:

It gives us great pleasure to introduce two new additions to our Village Office:

Mr. Ricardo “Ric” B. Tomines, our new Village Manager, is a veteran engineer with 38 years of experience in project implementation, engineering, communications, and computer operations. Ric has worked in the construction, insurance, communications, and banking industries. Prior to joining us, Ric was Manager of the Technical Services Department of DMCI Power Corporation, a position he held for almost eight years.

Ms. Rosalina “Rose” M. Halili, our new Office Manager, is a seasoned administrative services professional with 25 years of experience working with various multinational companies, setting up systems and infrastructure for facilities administration, HR, procurement, events management, planning and logistics, and employee relations. Prior to joining us, Rose was Senior Manager for HR and Employee Engagement at City of Dreams Manila where she worked for five years.

Please join us in welcoming Ric and Rose as they help us to realize our vision of “Responsible, Modern and Sustainable Community Living.”

Thank you.
