2020-2021 DVA CAR STICKERS

Dear Residents,

Our on going vehicle sticker program is going very well. So far, actual sticker installation is taking 2-3 minutes including the time waiting in line with the driver staying inside the vehicle through out the process.

We urge our residents to apply online as soon as possible. Although the actual sticker installation will take just a few minutes, we foresee the application processing to take up to 24-48 hours specially with the expected surge of applications in the coming weeks.

We plan to end our off site sticker installation in CSA by October 1. After this, sticker installation will be done outside the DVA office strictly on limited appointment basis.

Please avoid the crowd and inconvenience. Apply online now! For more details, please visit our website, www.dva.org.ph and apply by clicking **DVA Stickers Online Application**.

Thank you.
