8 June 2020

Dear Friends and Neighbors,

After almost 3 months of staying inside Dasmarinas Village, our security, maintenance and administrative personnel are now slowly returning to their normal rotation. This means that they can now go home to spend a day or two with their families. Standard health checks will be conducted upon their return and the pavilion continues to be our isolation area.

As of June 7, 2020, 88 of our households have donated in kind. Your delicious gifts of prepared meals, cakes, pastries, various kinds of merienda, etc have been enjoyed by our personnel. Other in kind donations such as PPE's, personal items and such have been distributed and used as well. So far, our monetary donations have totalled Php 2,175,000 from 171 donors. Our cash donations are broken down as follows:

Amount	No. of Donors
Php19,999 and below	138
Php20,000-39,999	23
Php40,000-59,999	7
Php60,000-79,999	0
Php80,000-99,999	0
Php100,000 and above	3

Total number of Donors (cash and kind): 259

Percentage of Donors to Total Households = 21%

Our personnel have been given an initial cash gift as well as a small care package to take home and enjoy with their families. We will review our current criteria which consider, among other things, the duration of their stay inside Dasmarinas Village as well as other Covid-19 related compensation they will receive from sources other than this fundraiser, to determine the final amount which will be awarded after GCQ.

Although we are close to reaching our internal target amount, we feel that the 21% participation rate can still be improved. We will continue to receive donations until Sunday, June 14, 2020. For those who have not yet donated, please consider a donation of any amount. We feel it is important to our personnel that the gifts come from the majority of our residents and not only a concerned minority.

A final list of donors will be available at the DVA Office sometime after the General Community Quarantine is over. For privacy reasons, the list will not be circulated nor copies be allowed to be made.

Thank you very much and please continue to stay safe:
